My dear Cousin Robert!

Your nice letter just came today and I am in a real hurry to write and thank you —

I had a delightful visit from me of our loveliest cousins another

Gignellat from Spartanburg, S.C. He has a good deal of information about us all — I gave him some addresses

of him who are working with interest in U.S.!! I heard from him & he saw

a cousin in Knoxville, whose

grandmother Mary Jane Taylor (my aunt) & whose father was Edward Irish Taylor & mother was Anne Sewal Irsvient.

(mas)  
of South Carolina. Her name is, <sup>(mas)</sup> Harriet  
Slavant Hanahan - 5700 Westwood Rd  
Knoxville Tenn - 37918. She has published  
several fine books on the Slavant family &  
has written of her for the South Carolina  
French Huguenot Society. I have  
not heard from little Charles Fignell  
of Spartanburg S.C. nor my cousin  
since they met - but both a avid and  
knowledgable in the family and I really  
enjoyed Charles.

Charles has been to England and  
brought up material so has Harriet  
Slavant. Charles told me of a cousin

Mrs Joe Patricks, 507 Creswell Ave  
Greenwood, South Carolina who is  
bringing the old Trezvant books up to  
date - I have written to her to see

What <sup>the</sup> additional material would consist  
of and asked to have her save me a  
book (17  $\frac{50}{100}$ ) when finished. There is  
a great deal which she had included  
very interesting and important. I had  
a lovely letter from her but no details  
of the work -

My own niece is an avid genealogist  
Mrs. Frederick W. Neuman, 4102 W. Franklin  
Richmond Va 23221. Her husband is  
teaching at Yale in music & has been  
at Princeton and is publishing a great  
book on Bach - She would share with  
you all her information and would  
love to meet you (as I would also)  
I have the original minutes

done by Fraser in Charleston of  
Peter Frezerant, and his wife Elizabeth  
Farguhar - They are beautiful and I have  
been trying to get in touch with a  
male Frezerant who's played here  
them -

I was sorry you didn't give me  
the address of Mrs Matitola Little  
in Marquette as I have wanted to  
meet her for a long time but I could  
not get her telephone number as I  
did not have her husband's  
name - I'd thank you for sending  
it to me - I'm sure she would  
like to see the Peter Frezerant pictures.

I am living in an Episcopal  
Condominium for the elderly a very

Beautiful place here in Atlanta as if  
you ever got this way please come to  
see me and dine so we can talk. I  
am happy you are also going to  
do some updating on the 1914  
Freycant house

Have you heard of Sewanee  
the University of the South - We  
have a Freycant girls dormitory  
three and two elegant + beautiful  
Liffmay windows in the church  
from the family of the Marye  
Freycants - a very great  
family from Memphis Tenn.

I have not met these two wants but  
I have enjoyed the gifts they have  
bestowed on Sewane -

I would like to hear from  
you again and to meet you and I  
could contribute a little to the costs  
of what you can discern -

Excuse writing and other  
disabilities - I am very clear in mind  
and eager to work on such a  
great idea as our Family! If  
you have a "Who's Who of American  
Women of 1972-1973" you will  
find a little about me! - not very  
important but interesting to us -

Thank you for your letter - I  
will ask my cousin in Richmond  
to write to you - Cordially
